### **Prayer for Students Taking Exams**

Gracious God, some of us are anxious, worried, or tense about exams; we ask you for your gifts of peace and calm during this time.

Help us to do our best so that we can reap the rewards of our study. Help us also to be true friends and a support to others.

We give you the gift of our work so that we can use our talents now and in future in your service.

We ask this through Christ our Lord.

*Amen.*
