Pope Francis – Message for Vocations Sunday 2017

The first big moment of vocation is baptism. The anointing of chrism at baptism might be called the anointing for vocation. The baptismal vocation is for witness, love and service. This is expressed in ways in which people live out their baptism in married life, single life – and within the single life, maybe religious life or priesthood.

In a place of silence, let the words 'Come, follow me' echo in your mind and heart.
Lord, be with me as I offer myself in partnership with you to work in your world.
