DEEP ENDS – Selfless love

It can be difficult to understand why anyone would willingly place a burden on themselves. We are bombarded daily with promises of a better, easier life. Magazines and lifestyle gurus offer us a better work-life balance. New gadgets pledge to remove obstacles or irritations and make our lives less stressful. It's all a bit of a contrast to the message of today's gospel, where Jesus says that his followers must take up their cross. Why would we deliberately suffer, or take on a burden? Surely we should aim to make our lives as easy as possible! Yet, we see self-sacrifice all the time. Parents make sacrifices for their children, and many people tend lovingly to elderly parents or relatives. Friends give up their time to listen and support each other. Teachers go the extra mile for a vulnerable child, and nurses, doctors, and care workers often go beyond the call of duty. Countless people give up their time and resources to help those in need, whether it's raising funds for charities or offering practical support to those who are sick, homeless, or struggling. And it's all done out of love.

When Jesus tells his disciples that he is going to suffer grievously and be put to death, they naturally react with shock, as it seems like a strange path to choose. But he is not doing it simply to make life difficult for himself. His sacrifice stems from his passionate love for us, just as we would sacrifice everything for someone we love dearly. Being a follower of Jesus means being prepared to sometimes put others' needs before our own.

The Wrong Wish

married couple, both 60 years old, were celebrating their 35th anniversary. During their party, a fairy appeared to congratulate them and grant them each one wish.

The wife wanted to travel around the world. The fairy waved her wand and poof - the wife had tickets in her hand for a world cruise.

Next, the fairy asked the husband what he wanted.

He said; "I wish I had a wife 30 years younger than me."

So the fairy picked up her wand and poof - the husband was 90.

Secret of a Long Life

Grandpa Jones was celebrating his 100th birthday and everybody complimented him on how athletic and well-preserved he appeared. "Gentlemen, I will tell you the secret of my success," he cackled. "I have been in the open air day after day for some 75 years now."

The celebrants were impressed and asked how he managed to keep up his rigorous fitness regime.

"Well, you see my wife and I were married 75 years ago. On our wedding night, we made a solemn pledge. Whenever we had a fight, the one who was proved wrong would go outside and take a walk."
