The first **World Day of the Poor** will be observed in the universal Church on Sunday 19 November 2017 at the request of Pope Francis. Pope Francis explained that at the conclusion of the Jubilee of Mercy, he wanted to offer the Church a World Day of the Poor, “so that throughout the world Christian communities can become an ever greater sign of Christ’s charity for the least and those most in need.”

The World Day of the Poor message is entitled, “Let us love, not with words but with deeds”. In the message Pope Francis invites “the whole Church, and men and women of good will everywhere, to turn their gaze on this day to all those who stretch out their hands and plead for our help and solidarity.”

REFUGEES

They have no need of our help
So do not tell me
These haggard faces could belong to you or me
Should life have dealt a different hand
We need to see them for who they really are
Chancers and scroungers
Layabouts and loungers
With bombs up their sleeves
Cut-throats and thieves
They are not
Welcome here
We should make them
Go back to where they came from
They cannot
Share our food
Share our homes
Share our countries
Instead let us
Build a wall to keep them out
It is not okay to say
These are people just like us
A place should only belong to those who are born there
Do not be so stupid to think that
The world can be looked at another way
