MUSINGS

The greatest evil is that in our own hearts, but God is greater than our hearts. When we sin against our brother or sister we sin against God. Charles de Foucauld spoke of seeing Jesus in every person: ‘Above all see Jesus in every person and consequently treat each one as an equal and as a brother or sister, but also with great humility, respect and selfless generosity.’ The other person is the brother or sister for whom Jesus died (1 Cor 8:11f).

World Meeting of Families 2018 Dublin

Dublin, has been chosen by Pope Francis to host the next World Meeting of Families from 21-26 August 2018, guided by the theme "The Gospel of the Family: Joy for the World".

Held every three years, this major international event brings together families from across the world to celebrate, pray and reflect upon the central importance of marriage and the family as the cornerstone of our lives, of society and of the Church. The event has at its heart the following key moments:

- **21 August 2018**, a National Opening of WMOF2018, which will take place simultaneously in all the different dioceses of Ireland.
- **22 to the 24 August 2018, a three-day Congress**. Each day will reflect on the theme "The Gospel of the Family: Joy for the World" chosen by the Holy Father and will include an enriching programme for adults of keynote speakers, workshops, talks, testimonies and discussions; an engaging and exciting programme for young people as well as fun activities for children. The Congress will also include daily celebration of the Eucharist, prayerful activities, exhibitions, cultural events and musical performances.
- **Saturday 25 August 2018, a Festival of Families**, comprising a reflective concert style event within a prayerful and joyful atmosphere, in which personal stories of faith will be shared by families from all continents.
- **Sunday 26 August 2018**, WMOF2018 will close with a **solemn Eucharistic Celebration**, that will gather thousands of people from Ireland and all over the world.

Family Life.....

A boy asks his father "Dad, are bugs good to eat?" "That's disgusting. Don't talk about things like that over dinner," the dad replies. After dinner the father asks, "Now, son, what did you want to ask me?" "Oh, nothing," the boy says. "There was a bug in your soup, but now it's gone."
