1. ‘The time is fulfilled’ – this is a decisive moment in the life of Jesus. His public ministry is about to begin. Recall turning points in your own life when something new happened and with hindsight you can say the time was ripe for it to happen, ‘the time was fulfilled’.
2. ‘Repent and believe the good news’. Jesus was not preaching a new doctrine, he was proclaiming an event that had already happened. The time has come. Jesus called for a change of heart as a response to the good news of the gospel message. A new way of understanding God leads to a conversion in how we relate to God, a change of heart. A growth in awareness of who we are can lead us to a new level of self-confidence, another change of heart. Can you recall times when ‘good news’ led you to a change of heart?
3. The Spirit of God who was at work in Jesus calling the disciples continues to work in our day and in our lives. That is why the gospel message is one of good news. When has your understanding of the gospel message led you to a different style of life? Who was the Jesus person through whom the call came to you? To whom have you been a Jesus person in this way?

Dolores O Riordan remembered as an artist full of soul and courage

"Crisis of Democracy in Ireland Tour" - Thursday 15 February 7pm Riverfront Hotel, Virginia.
John Waters and Fr. Marcel Guarnizo will address the nature of democracy, the illegality of voting away fundamental human rights and how to uphold constitutional protections of innocent human life. The fight to protect the 8th amendment has been ongoing, and it is an uphill battle to withstand the efforts of a partisan press and various other interests who seem determined to facilitate the provision of abortion in Ireland.
